Wednesdays

WAAARGH! GAMING @ Area 52

Area 52 is proud to announce that Wednesdays will be devoted to in-store war gaming during the school holidays on the 9th of September and the 16th of September.

People are encouraged to bring in their armies and battle each-other all day.

The 5th Edition of 40k will be on hand to play with during the Wednesday Waaargh! Gaming

If you're new to the hobby and just want to see what it's all about, feel free to come along to learn how to play or pick up some new tactics and generally chew the ear of one of our friendly staff with your war gaming questions.

Cost to take part in gaming is free.

Fridays

Collectable card games

Every Friday over the summer holidays will be for collectable card games. So bring your deck and challenge some new opponents. We even have some store decks for some of the games we stock, so you can try out something new as well!
